

REMARKS

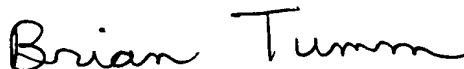

This paper is submitted in response to the Notice of Allowance for the above-identified application mailed May 16, 2005. Applicants thank the Examiner for a favorable review of this application.

The specification is amended to include the appropriate serial numbers for the related applications. Claim 10 has been amended to address informalities therein and to more clearly recite the invention. We believe the scope of Claim 10 has not been changed.

The amendment contains no new subject matter requiring further consideration or search. Approval of the proposed amendment is respectfully requested.

Prompt entry of the amendment is respectfully requested.

Respectfully submitted,

Brian R. Tumm
